

CLERK: Mr. President, the motion is that the Speaker be directed to place LB 187 and LB 808 on special order for March 10th, 1978.

SENATOR VENDITTE: Senator DeCamp, I am a very compromising South Omaha Senator, certainly. Sure, that is fine, if that is agreeable with the Chair.

SENATOR MARVEL: Okay, Senator Venditte, will you withdraw your motion?

SENATOR VENDITTE: I withdraw my motion.

SENATOR MARVEL: Okay, is there any objection? Senator Koch, do you wish to be recognized? I recognize Senator Koch.

SENATOR KOCH: A question of Senator Venditte. Why does he wish to withdraw his motion?

SENATOR VENDITTE: Well, Senator Koch, as the Chair just read into the record that both of those bills, or at least as he read in Senator DeCamp's amendment, that both of those bills will be heard on a day certain.

SENATOR KOCH: Whose bill is 187? Who is the author of it?

SENATOR VENDITTE: I believe it is Senator DeCamp's bill.

SENATOR KOCH: And what is 808?

SENATOR VENDITTE: What is 808?

SENATOR KOCH: Yes.

SENATOR VENDITTE: What do you mean, Senator?

SENATOR KOCH: What does it pertain to and whose bill is it?

SENATOR VENDITTE: It is my bill.

SENATOR KOCH: Then why do you want to bracket LB 187?

SENATOR VENDITTE: I don't want to bracket 187.

SENATOR KOCH: Why did you want to bracket 187?

SENATOR VENDITTE: Senator Koch, were you in the Chamber just a few minutes ago?

SENATOR KOCH: Yes, yes, but I want you to be candid with the body.

SENATOR VENDITTE: I am being candid with the body, Senator Koch, and I just explained that I will be out of town for the next five days.

SENATOR KOCH: Well, can't we do it on that one without your presence?

SENATOR VENDITTE: Well, Senator, I would like to be here when that comes up.

SENATOR KOCH: Where is 808 presently? Where is it up there on the Board?
